

Triodos Bank.

ISA transfer authority form from another provider to a Triodos cash ISA.

This form will enable you to transfer an existing cash, stocks and shares ISA or cash from an innovative finance ISA from another provider to a Triodos cash ISA. You need to already have or have applied for a Triodos cash ISA separately before completing this form.

If you wish to transfer more than one ISA please complete a separate authority form for each ISA. Additional transfer authority forms can be downloaded from our website.

Please make sure that you complete all sections of this form.

If you are unsure as to whether or not selling assets in a stocks and shares ISA, innovative finance ISA or lifetime ISA (known as liquidating) is right for you, please seek independent financial advice. If you don't have an independent financial advisor, you can get details of local financial advisors by visiting www.unbiased.co.uk

This form should be completed either by printing a blank copy and filling in the required fields, or by filling in the fields online and then printing the form.

The declaration at the end of this form must be signed and dated by the account holder. You can then return the form by chat in internet banking or by post.

Our Freepost address is Royal Mail registered and simple to use. Write it exactly as shown below on your envelope and your letter will get to us free of charge (no stamp required): **Freepost TRIODOS BANK**

In some cases your existing provider may require an original form. In which case we will be in touch to arrange this.

If the details you provide as part of this application are different to the details we currently hold then we may change your existing record. You may be contacted to verify this change or to request further confirmation. Transfers are subject to acceptance.

Check with your current provider to see if there are any charges and/or conditions which may affect your ISA transfer.

When we receive this completed form, we will contact your current ISA provider to arrange the transfer of your funds. Once we receive your funds we will credit your Triodos cash ISA and write to tell you that the transfer has been completed.
