

Triodos Bank.

ISA transfer authority form from another provider to a Triodos Stocks and Shares ISA.

You must complete this form to transfer a cash, stocks and shares, Innovative Finance or Lifetime ISA that you already hold with another provider into a Triodos Stocks and Shares ISA.

Transfers from a cash ISA usually take place within 15 business days of the transfer instruction being received by us.

Transfers from other types of ISA can take up to 30 days from the request being received by us. These types of ISA transfer take longer as the investments must be sold first, before the cash can be transferred to your Triodos Stocks and Shares ISA Cash Account.

If you wish to transfer more than one ISA please complete a separate authority form for each ISA. Additional transfer authority forms can be downloaded from our website.

This form should be completed either by printing a blank copy and filling in the required fields, or by filling in the fields online and then printing and signing the form.

You can return your completed form by chat in internet banking or by post.

If you are filling in this form by hand, please use BLOCK CAPITALS.

If the details you provide as part of this application are different to the details we currently hold then we may change your existing record. You may be contacted to verify this change or to request further confirmation.

Transfers are subject to acceptance.

When we receive this completed form, we will contact your current ISA provider to arrange the transfer and write to tell you when it has been completed.
